

**Projects and Researchers**

No	Institution / PI	Taxa	Purpose	Funding	Management
1	University of Bergen/ Ingvar Byrkjedal	Marine fishes		?	
2	Natural History Museum, University of Oslo/ Jan T. Lifjeld	Birds	Barcode all birds breeding in Scandinavia, and passerine species from other regions of the world	RCN project (2010-2013)	
3	Agder Nature Museum/ Roar Solheim	Mammals	Barcode all 90 mammal species of Norway		
4	Natural History Museum, University of Oslo/ Arild Johnsen	Freshwater fishes	Barcode the 42 freshwaterfishes in Norway		
5	Natural History Museum, University of Oslo/ Christian Brochmann	Plants	Barcode plant species from Scandinavia and the Arctic region, Africa, various alpine regions of the world	EU/RCN	
6	Natural History Museum, University of Oslo/ Christian Brochmann	Plants	Barcode environmental samples from permafrost	RCN	
7	Norwegian University of Science and Technology/ Hans Stenøien  Natural History Museum, University of Oslo/ Christian Brochmann	Bryophytes	Develop barcoding markers for and barcode bryophytes	RCN	

8	The University Centre in Svalbard (UNIS)/ Inger Alsos	Plants	Barcode all vascular plant species in Svalbard		
9	Natural History Museum, University of Oslo/ Einar Timdal	Fungi, lichens	Mapping of lecideoid lichens in Norway	NTI/NBIC	(Norwegian Taxonomy Initiative, Norwegian Biodiversity Information Centre)
10	Natural History Museum, University of Oslo/ Karl-Henrik Larsson	Fungi, Telephorales	Barcode telephorales in Norway	NTI/NBIC	
11	Norwegian Institute for Nature Research/ Egil Bendiksen	Fungi, Ramaria	Barcode the genus Ramaria in Norway	NTI/NBIC	
12	Tromsø University Museum/ Geir Mathiassen	Fungi, Ascomycet a	Barcode marine Ascomyceta from Northern Norway	NTI/NBIC	
13	Natural History Museum, University of Oslo/ Åge Brabrand	Simuliidae	Barcode Simuliidae species in Norway	Miscellaneous	
14	Norwegian Institute of Public Health	Coleoptera	Barcode pest species in commercial food items	?	
15	Natural History Museum, University of Oslo/ Jan Lifjeld University of Tromsø/ Trond Elling Barstad	Symphyta	Barcode Symphyta of Norway	Internal research grants	
16	Natural History Museum, University of Oslo/ Torstein Kvamme	Ants	Barcode ants of Norway		
17	Natural History Museum, University of Oslo/ Torstein Kvamme	Long-horned beetles, Leiopus	Description of a new species of long-horned beetle; Leiopus linnei		

18	Natural History Museum, University of Oslo/ Torstein Kvamme	Bark beetles – Scolytinae	Pilot project on barcoding of Norwegian bark beetles		
19	Natural History Museum, University of Oslo/ Lars Ove Hansen	Bumblebee s	Barcoding of Norwegian bumble bees		
20	Museum of Natural History and Archaeology, NTNU/ Torbjørn Ekrem  University of Bergen	Chironomid ae	Barcode Chironomidae in Norway, especially Finnmark	RCN/NBIC	
21	Norwegian Institute of Water Research  University of Norway/ Jan Rueness	Redalgae	Barcode freshwater red algae and cultures of marine red algae	NTI/NBIC	
22	Museum of Natural History and Archaeology, NTNU/ Torkild Bakken	Nudibranch s	Barcode nudibranchs of Norway	?	
23	Museum of Natural History and Archaeology, NTNU/ Torkild Bakken	Polychaete s, Nereididae	Barcode Nereididae of Norway	?	
24	Norwegian Institute for Nature Research/ Eivind Oug	Polychaeta	Barcode marine polychaeta from the Skagerrak coast	NTI/NBIC	
25	Museum of Natural History and Archaeology, NTNU/ Torkild Bakken	Rajidae	Barcode skates in the Northeastern Atlantic		
26	University of Tromsø/ Arve Lynghammar	Arctic fishes	Barcode Arctic fishes	Own research grant (?)	

27	Natural History Museum, University of Oslo/ Leif Aarvik	Lepidoptera	Barcode butterflies and moths of Norway		
28	Natural History Museum, University of Oslo/ Lars Ove Hansen	Orthoptera, Blattodea, Dermaptera	Barcode locusts, crickets and relatives of Norway		
29	Norwegian Institute for Nature Research/ Frode Ødegaard	Spiders	Barcode a group of Norwegian spiders	NTI/NBIC	
30	Natural History Museum, University of Oslo/ Geir Søli	Mycetophili dae	Barcode all fungus gnat species of Norway	NTI/NBIC	
31	Museum of Natural History and Archaeology, NTNU/ Torbjørn Ekrem	Coleoptera	Barcoding of redlisted coleoptera in Norway	NTI/NBIC	
32	Natural History Museum, University of Oslo/ Vladimir Gusarov	Staphylinid ae	Barcode rove beetles from the collection at NHM	Own research grants	
33	Natural History Museum, University of Oslo/ Jan T. Lifjeld	Earthworms	Barcode earthworms of Norway	NBIC	
34	Bergen Museum, University of Bergen/ Trond Andersen	Trichoptera, Psychodida e, Neuroptera, Megalopter a	Barcoding of specimens of these groups from Finnmark	NTI/NBIC
