INTERIM REVIEW PROGRESS REPORT**

Summary Information

Start date of the research activities	July 1, 2009
Approved total project budget (6 years, subject to Genome Canada securing new funding in support of iBOL)	\$25M
Committed total project budget (2 years)	\$6.6M
Spent to end of most recent quarter(GC + co-funding) e.g., to December 31, 2010	\$6.5M
Percentage of co-funding received to end of most recent quarter	162%

Project Leader

Name ¹	Paul D. N. Hebert
Affiliation	Biodiversity Institute of Ontario
Address	University of Guelph 50 Stone Rd. E. Guelph, ON N1G 2W1
Telephone	519-824-4120 x56250
E-mail	phebert@uoguelph.ca
Date	
Signature ²	

Certification Requirements

Applicants proposing to perform research that requires certification (such as research involving human subjects, human stem cells, animals, biohazards, radioactive materials or possible effects on the environment) must obtain the appropriate certification for the proposed project and submit them to Genome Canada. Please check the box(es) below, if the proposed research involves any of the following:

Human subjects Human stem cells Animals Biohazards Environmental assessment

Lead Organization (CEO, President or authorized representative)

Organization	University of Guelph
Name	Rich Moccia
Title	Associate VP Research
Date	February 7 th , 2011
Signature ²	

¹ Project Leader is responsible for administrative and financial responsibilities of the project

²Signatures confirm acceptance of terms as outlined in Meaning of Signatures.
